Case No. 3:19-R-245-M

**MOTION FOR VOLUNTARY CONTACT TRACING**

Defendant Timothy Bernard Tanner, by and through counsel, moves this Court for an additional safety-related protocol. He requests that the Court make available a phone number, website, or email address by which any participant who tests positive for COVID-19 may voluntarily report that test result. He further requests that the Court notify all other participants of such results and/or provide some means by which they might learn of such tests. In this way, participants may learn of COVID-19 exposure and take measures to limit their contact with other people, especially those vulnerable to the virus.

This request is not intended to waive any objection to other safety protocols, nor to waive the motion for continuance.

Respectfully submitted,
